Set Up Your Remote to Control an INSTEON-Compatible Device Remotely

- Step 1.** Be sure you have properly installed two AccessPoints (#2443).
- Step 2.** Insert 4 AAA batteries (included) into the battery compartment.
- Step 3.** Choose the device you would like to control (e.g. Lamp Dimmer, Appliance Module, SwitchLinc™), making sure it is properly installed.
- Step 4.** On your Remote **Press and hold** the ON button of your choice for 10 seconds until the Status LED begins blinking -- then release.
Your Remote is now in setup mode. You have 4 minutes to complete step 5.
- Step 5.** Select the device you would like to control and follow the setup instructions from the table below.

Device	Setup Instructions
 SwitchLinc	• Press and hold the SwitchLinc Dimmer's Paddle Top for 10 seconds until the light it controls flashes — then release. <i>The Remote will exit Linking Mode, and its LED will stop blinking.</i>
 Lamp Dimmer	• Press and hold the Lamp Dimmer's SET button for 3 seconds until the lamp it controls flashes — then release. <i>The Remote will exit Linking Mode, and its LED will stop blinking.</i>
 Appliance Module	• Press and hold the Appliance Module's SET button for 3 seconds until its Status LED blinks — then release. <i>The Remote will exit Linking Mode, and its LED will stop blinking.</i>
Other INSTEON-Compatible Devices	See device's Quick-Start Guide or User's Guide.

- Step 6.** On the Remote press the ON and OFF button several times to make sure everything is working properly.

Congratulations! You Can Now Remotely Control Your INSTEON-Compatible Devices.

Using your Remote

Six ON/OFF buttons.

- **Tap** ON to turn your device on.
- **Tap** OFF to turn your device off.
- **Press and hold** ON to brighten your device.
- **Press and hold** OFF to dim your device.

ALL ON and ALL OFF control all of your devices linked to the Remote.

- **Tap** ALL ON to turn on All devices.
- **Tap** ALL OFF to turn off All devices.

BRIGHT and DIM control all of your devices linked to the last button pressed.

- **Press and hold** BRIGHT button to brighten your devices.
- **Press and hold** DIM button to dim your devices.

Hint

Devices can be enrolled into the ALL ON/OFF buttons by using the same linking process

Troubleshooting Tips

- Factory Reset Instructions

Remove one battery for 10 seconds. While holding down the BRIGHT button on the Remote, reinstall the battery, continue to hold down the BRIGHT button for 10 seconds - the unit will beep continuously and then will quickly beep twice. Release the BRIGHT button. After several seconds, the Status LED will turn off indicating that reset is complete.
